INTRODUCTION AND SITE SETUP

Following your recent communications from Leathermarket JMB we are now writing to confirm that we at Durkan have been appointed to carry out various external works to Whites Ground Estate. We have undertaken a site set up and compound area for our site offices and welfare facilities, these have been set up at the far end of the carpark as seen on site.

Scaffold will be erected to all blocks starting at 58-64 Whites Grounds Estate from week commencing **7th June 2021**. We recommend you contact your insurance company to inform them that scaffolding is being erected around your home. Please note that notifying the insurance company does not normally result in any additional charge.

For the remaining blocks of flats, we will write to you again nearer the time, to let you know about the commencement dates.

In addition to this, we will have to remove the satellite dishes from the building. Your dishes will be secured to the scaffold poles to allow your continued viewing until the scaffold is removed, you may have a loss of signal for a short time until the scaffold is made safe for the satellite engineer to attend and realign your dish. During the later removal of the scaffolding your satellite dish & TV aerials will be relocated back to the building.

If your satellite dish is no longer in use, please inform Dee your Durkan liaison officer.

We would ask parents to remind their children about the dangers of playing on or around the scaffold. If you see anyone on the scaffold outside of our normal working hours of Monday to Friday 8am to 5pm, please contact the police.

If you have any concerns or queries regarding the work detailed in this letter, our liaison officer, Dee Blake, will be happy to help you. Dee can be contacted on **07795 692346** our office hours are between 8.00am and 5pm.

All Durkan employees wear Hi-Vis vests and carry photo ID. If you are unsure of anyone claiming to represent Durkan Limited or its subcontractors, please contact your liaison officer on their mobile **07795 692346**, prior to allowing access to your home.

We would like to apologise for any inconvenience these works may cause you and would like to take this opportunity to thank you in advance for your co-operation and patience.

Yours faithfully

Dee Blake
